ABOUT US & WHAT WE DO

01

RS Kitchens
DESIGN | SUPPLY | INSTALL

At RS Kitchens, we are passionate about enhancing homes through exceptional design and craftsmanship. Specializing in kitchens, bedrooms, extensions, and a variety of interior renovations, we tailor our services to meet your individual needs. With over 15 years of experience, our dedicated team works closely with you from the initial consultation to the final installation, ensuring every detail aligns with your vision.

We prioritize quality materials and innovative designs, creating spaces that are not only functional but also aesthetically pleasing. Our goal is to elevate your home, whether it's transforming your kitchen into a culinary haven, designing a cozy bedroom retreat, or expanding your living space with a stylish extension. We pride ourselves on delivering outstanding customer service and a smooth renovation experience.

OUR MISSION

02

At RS Kitchens, our mission is to elevate the heart of your home through exceptional design and quality craftsmanship. We believe that a kitchen or bedroom should not only be beautiful but also a reflection of your personal style and lifestyle. Our dedicated team is committed to providing tailored solutions, ensuring that each project is a seamless blend of functionality and aesthetics.

We believe great design begins with great communication. By fostering open dialogue and close collaboration throughout the process, we ensure your voice is heard and reflected in every detail. Our commitment is to create interior spaces that feel thoughtful, personal, and inspiring—designed to enrich your everyday life.

In addition to our design expertise, we are committed to sustainability, sourcing materials that are both high-quality and environmentally friendly. Our goal is to create spaces that inspire joy and comfort, making your home a true sanctuary.

At RS Kitchens, we partner with trusted suppliers to ensure the highest quality materials for your projects. Our process begins with an in-depth consultation, where we collaborate with you to understand your vision. We then create a tailored design, selecting premium materials that fit your style and budget. Throughout the project, we manage every detail, coordinating with our suppliers and craftsmen to ensure a seamless experience. Our commitment to quality and transparency means you can trust us to bring your dream space to life.

Our Suppliers and Process: Step-by-Step

Initial Consultation:

We begin with an in-depth discussion to understand your vision, preferences, and requirements. During this visit, we also provide a free measurement of your space to ensure accuracy in design.

Design Proposal:

Based on our conversation, we create a tailored design that aligns with your style and needs and provide a quote.

Material Selection:

We collaborate with trusted suppliers such as Kitchen Stori, SAMSUNG, Quooker, and others to choose high-quality materials that ensure durability and aesthetics.

Detailed Planning:

A comprehensive project plan is developed, outlining timelines, costs, and logistics for your approval.

Implementation:

Our skilled team manages every aspect of the installation process, ensuring seamless coordination.

Final Walkthrough:

Once the project is complete, we conduct a thorough walkthrough to ensure everything meets your expectations.

Post-Project Support:

We remain available for any questions or support after project completion, ensuring your satisfaction.

PROJECT MANAGEMENT

04

Our project management service is designed to make your renovation process smooth, efficient, and stress-free. From the initial planning stages to the final finishing touches, we handle every detail with precision, coordinating trades, managing schedules, and keeping you informed at each step. We're dedicated to maintaining the highest standards of quality and professionalism, ensuring that every aspect of the project aligns with your vision. With regular updates and proactive problem-solving, we make sure your project stays on track, on budget, and delivers results you'll love.

RS Kitchens

DESIGN | SUPPLY | INSTALL

When you use RS Kitchens - we work with you on the kitchen layout, design, style and colour. We'll work with you on a project date and then you can leave the rest up to us.

Once we've arranged a date, our project management team will order and arrange all of your kitchen product to come to your home and book in all of the tradesmen needed to install your kitchen.

You will receive a schedule of works a few weeks before we get started stating when your product will arrive and when our tradesmen will be in - we work very efficiently and keep to an effective kitchen project schedule.

3D DESIGN

05

At RS Kitchens, we provide a comprehensive 3D design service for all of our clients, included as part of the full project experience. In our design meeting, held in our showroom, you'll get a clear, visual layout of your future space with a custom 3D render. During this session, we showcase material samples, discuss your project in detail, and even offer live demonstrations on our stoves, giving you a feel for the quality and functionality of your new kitchen. This personalized experience helps you envision your dream kitchen, ensuring every detail reflects your style and needs.

KITCHEN AFTERCARE

06

Thank you for choosing us to complete your kitchen renovation. We hope you're enjoying your newly transformed space. To help preserve the quality, beauty, and functionality of your kitchen, we recommend following some simple aftercare guidelines.

Regularly clean all surfaces using non-abrasive, pH-neutral products and soft cloths to avoid scratching or damage. Wipe up spills promptly, particularly on natural stone, wood, or sealed finishes, to prevent staining. Cabinetry should be cleaned gently with a damp cloth and mild soap, and hardware should be handled with care to ensure longevity.

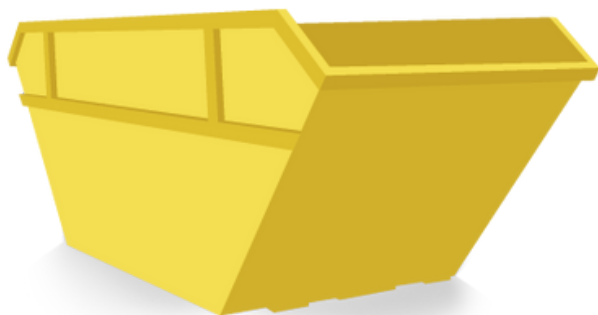

For countertops, always use cutting boards and heat-resistant mats to protect from knife marks and heat damage. If your countertops are made from natural stone, resealing may be necessary over time—refer to the specific care instructions provided. Appliances should be cleaned and maintained according to the manufacturer's guidance, and we recommend registering them to activate warranties. Keep flooring free of grit by sweeping regularly and use protective pads under furniture to prevent scratches. Finally, inspect plumbing fixtures periodically for leaks and avoid using harsh chemicals that could compromise finishes. Should you have any questions about maintenance or warranties, our team is here to support you. We hope you enjoy your kitchen for many years to come.

WASTE REMOVAL

07

We include complete waste removal for each client as part of our commitment to a clean and efficient renovation process. For each project, we provide a skip, which typically accommodates all standard kitchen waste and ensures a tidy workspace. This waste management is included within the project cost, so you don't need to worry about the details of disposal.

RS Kitchens
DESIGN | SUPPLY | INSTALL

How much fits in an 8-yard skip?

16 wheelie bins

60-80 bin bags

Entire house/
large renovations

4 sofas

If additional waste removal is needed beyond the initial skip, we can arrange for extra capacity!! Our goal is to manage all waste responsibly and keep your property free of debris, allowing you to enjoy a hassle-free experience from start to finish. This way, you can focus on the exciting transformation without the inconvenience of excess rubbish.

RENOVATION CHECKLIST

08

Before commencing your renovation project, we aim to ensure a smooth and comprehensive process. To assist you in preparing for the project, we have compiled a convenient checklist of considerations for your reference.

- ☐ Determine Renovation Goals and Objectives
- ☐ Set a realistic budget for the project
- ☐ Research and gather inspiration for design ideas
- ☐ Identify any structural or plumbing considerations
- ☐ Consult with professionals for planning advice
- ☐ Obtain necessary permits and approvals
- ☐ Choose fixtures, materials and finishes
- ☐ Confirm availability of materials and suppliers
- ☐ Confirm 3D Project
- ☐ Establish desired time and plan temporary accom. if needed
- ☐ Communicate expectations and preferences with contractor
- ☐ Make arrangements for waste disposal
- ☐ Ensure proper storage protection of belongings
- ☐ Double check all details and plans before beginning the project

A large, light beige watermark of the letters 'RS' is centered in the background of the main content area.

FAQ

09

Q: What does the initial consultation include?

A: Our free initial consultation includes an in-depth discussion of your ideas, style preferences, and a complimentary measurement of your space to ensure accuracy in design.

Q: Do you offer project management?

A: Yes, we provide full project management, coordinating everything from design and materials to installation and final touches, so you have a stress-free experience.

Q: Is waste removal included in the project cost?

A: Yes, we include an 8-yard skip for kitchen waste in each project. Additional skips can be arranged if needed at an extra cost.

Q: Which suppliers do you work with?

A: We collaborate with top suppliers like Kitchen Stori, SAMSUNG, Quooker, and other to ensure high-quality materials and appliances for every project.

Q: Do you work on spaces beyond kitchens?

A: Absolutely! In addition to kitchens, we offer design and renovation services for bedrooms, extensions, and other interior spaces.

Q: Can I choose my materials and finishes?

A: Yes, we'll work closely with you to select the best materials and finishes that match your style, needs, and budget.

Q: How long does a typical kitchen renovation take?

A: Project timelines vary based on design complexity, but we'll provide a detailed timeline during the planning phase and keep you updated throughout.

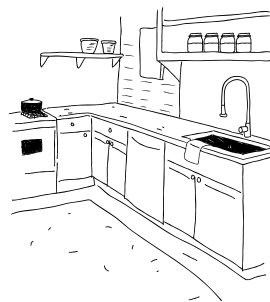

Q: What post-project support do you offer?

A: We're always available for questions and support even after the project is complete, ensuring your full satisfaction with the final result. We also offer a lifetime guarantee on all of our projects :)

REVIEWS AND OTHER

10

Explore our "Reviews and Other" section to see the experiences of our clients. Here, you'll find client reviews sharing first-hand insights, and our latest mood boards to inspire your own renovation journey. This section is designed to give you a closer look at our work quality, design vision, and client satisfaction, helping you feel confident in choosing RS Kitchens for your next project.

"Rich has just completed our kitchen and minor building work at the back of our house that we are thrilled with. Having viewed kitchens from other high street suppliers there's no comparison. The quality is spot on. Rich has a great eye for detail and doesn't compromise on finish. I highly recommend 🍷"

Sarah Oakey

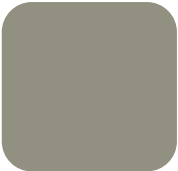

"I truly thought knew what I wanted until I visited the studio in Stony. Richard helped me see that there were so many other options then cream and black, so much so that I finished with a pink and indigo kitchen!!

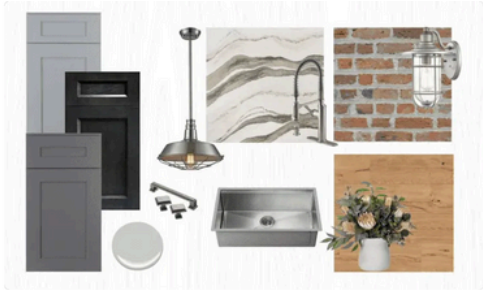

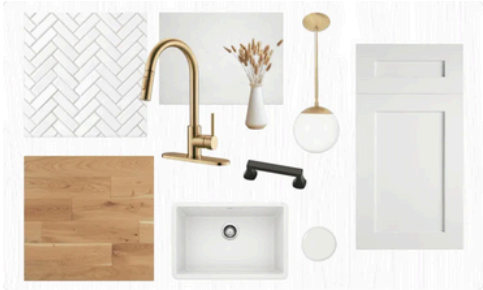

The main thing for me was to have as little stress as possible, and this was exactly what happened. The whole project was handled very efficiently by Richard and his team, with things happening on the days detailed in the itinerary. All the trades were exceptional and the work was to a very high standard. Richard and Luke worked hard to get the job done, as I was quite absent at work most of the time, this was really appreciated."
