

KBSA KITCHEN CONCEPT AWARD

KBSA
DESIGNER
AWARDS
2027

In the real world, great design is often shaped by client demands, tight budgets, and spatial compromises. But what happens when those boundaries disappear?

For this year's KBSA Kitchen Concept Award, we are removing the limits. We want to see your ultimate vision.

The brief is simple: take this room and design the most breathtaking open-plan kitchen you are capable of creating. No budget, no client preferences, no compromises—just pure, unrestricted talent. Show us your best design ever. **Take our breath away!**
